About Me

My name is Joe. I was born in Shanghai, China and lived there for several years, moving here when I started school. I spoke a bit of Chinese earlier in my life but now not so much.

I like playing video games, DIY electronics(like soldering and such), video editing, and programming.

Self portrait I made in Illustrator.

Q&A Podcast with **LEMMiNO**

From his 3 million subscriber Q&A

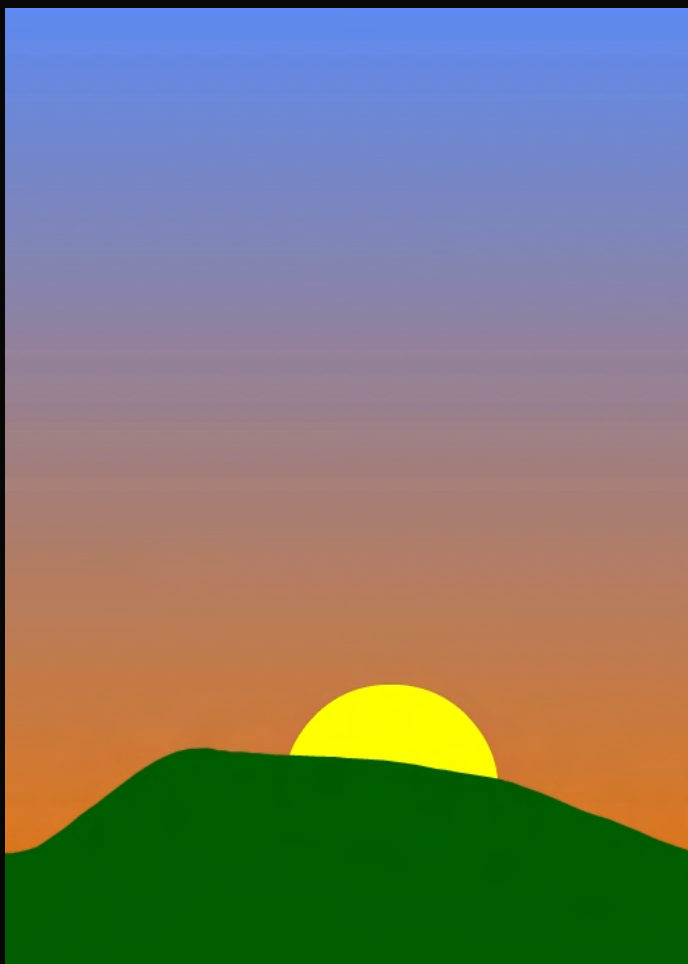

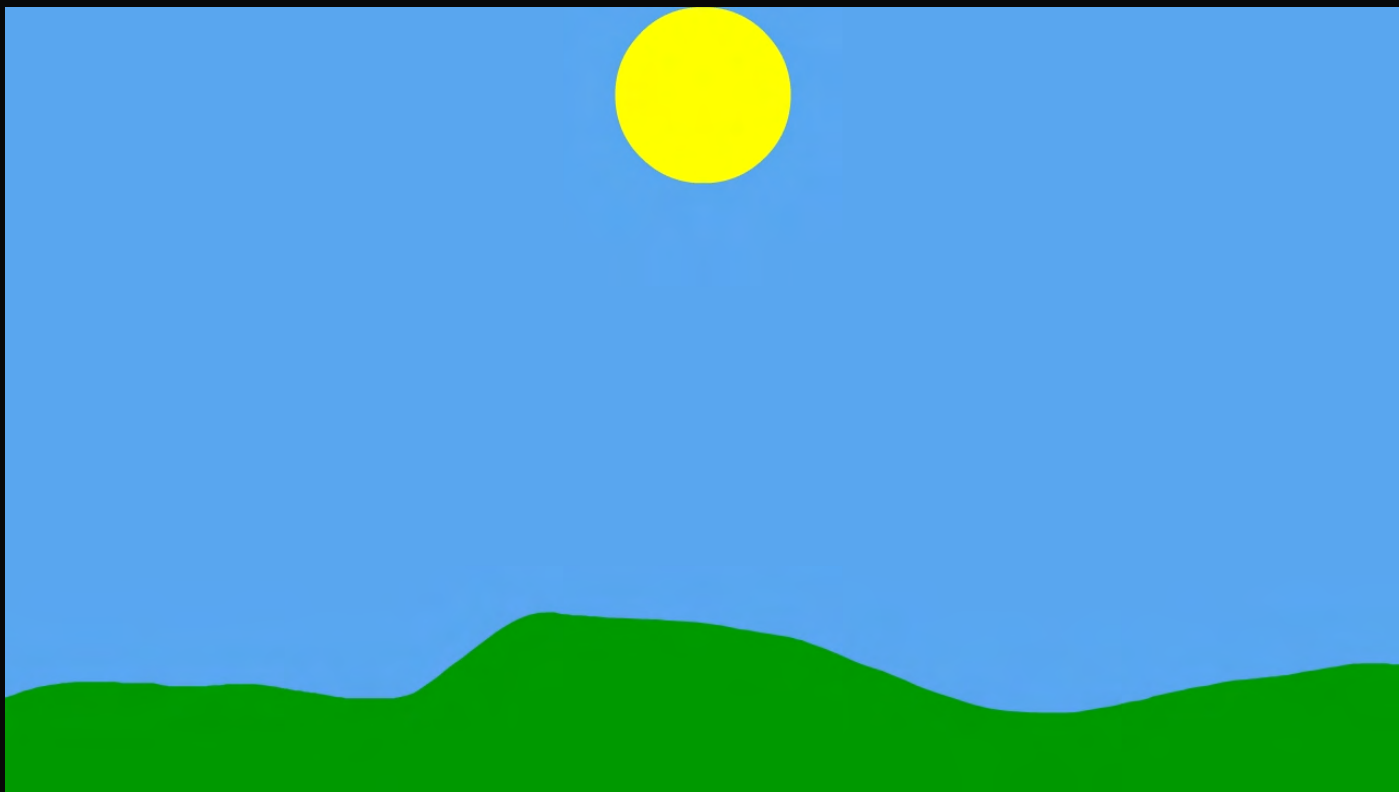

The logo for LEMMiNO is rendered in a white, stylized, blocky font with a double outline effect. The letters are interconnected, giving it a modern, digital feel. It is set against a dark gray rectangular background.
